FACE TREATMENTS

STRESS-FREE FACIAL MASSAGE

ideal for anyone in need of relaxation as well as rejuvenation. This includes mild extraction, facial and neck massage applied with essential oils that will enhance the treatment. This treatment will relieve your stress at the same time removes excess oil, dirt, and dead cells on the surface of the skin to reveal younger, brighter skin.

🕒 1 hour treatment | Php 1,199

SKIN BOOSTER

Skin Booster contains stabilized hyaluronic acid, a vital secret ingredient to smooth and glowing skin. The treatment involves giving a series of tiny injections of hyaluronic acid into the chosen area of the skin. Hyaluronic acid is naturally found in the body and functions to maintain hydration levels in the skin. However, due to aging and exposure to heat and pollution, the hyaluronic acid level in our skin diminishes. // Php 1,260

BEAUTY AFFAIR SIGNATURE FACIAL

The signature facial includes a thorough deep cleansing, gentle exfoliation through face and neck with extractions which removes impurities. This treatment also includes a combination of microdermabrasion whitening and relaxing facial massage with complete hydration.

🕒 1 to 1 hour and 30 min treatment
Php 1,299

- **OXYJET (WATER) PEEL FACIAL**

Combines 100% oxygen and sterile saline to gently cleanse and hydrate the skin. The combination is delivered much like an airbrush treatment (mini pressure wash) and the effect is amazing. This gentle cleansing unclogs pores and removes dirt and makeup that can build up on the skin's surface over time.

Duration: 40 minutes | Php 699

- **JET (AIR) PEEL TREATMENT FACIAL**

A stream of high-pressurized oxygen infused with botanical, vitamin, mineral, and nutrient extracts is applied to the face and neck. The oxygen absorbs the moisturizing agents into the skin for a smoother, plumper look, providing a healthy glow.

Duration: 40 minutes | Php 699

- **ACNE TREATMENT FACIAL**

Acne facials focus primarily on extractions for blocked pores. The extraction process releases any excess build-up of oil and cleans out dirt that might be clogging up your pores. Combined with laser treatments This can reduce the look and feel of acne and calm inflammation to your skin.

Duration: 45 minutes | Php 999

- **MICRODERMABRASION PEE: FACIAL**

A safe, effective and non-invasive skin resurfacing procedure that deeply polishes and stimulates the skin using densely packed genuine laser-cut diamond tops to remove dead skin cells and promote the growth of healthy, new cells for a smoother, more radiant and flawless complexion

Duration: 30 minutes | Php 500

- **PHOTODYNAMIC FACIAL**

It is a form of phototherapy or light therapy treatment, particularly for severe cases that do not respond to other treatments. Photodynamic therapy (PDT) may also be effective for other skin conditions, such as severe acne, sun-damaged skin, precancerous cells, and skin infection.

Php 700
